ATTORNEYS AT LAW

Established eight member general practice law firm looking to hire an experienced attorney serious about making a lateral move and a commitment to live and practice law in Central Maine and becoming an immediate member of our firm. We are looking for candidates who have the legal experience, interest, maturity, and creativity required of a small-town practitioner to work independently and handle a variety of areas which may include general trial work as well as transactional work in the areas of business planning, real estate, estate planning /settlement and possibly taxation, municipal law and elder law. Members nearing retirement seek to transition work and place longstanding clients in good hands

*Full-time • We are following Covid-19 precautions*
