ORGANIZATION OVERVIEW

Pine Tree Legal Assistance is Maine's oldest and largest civil legal aid provider. Pine Tree Legal Assistance employs a diverse team of individuals, each committed to making our communities more just.

We are committed to creating an inclusive environment for all employees. We encourage applications from people with diverse backgrounds, including women, Black, indigenous and people of color, people who identify as LGBTQ+, people with disabilities, immigrants, and people who have experienced poverty or homelessness. We believe that there should be fairness, justice, and equality for all and, that if we can instill more fairness in our society, there will be less poverty. Our mission is to ensure that state and federal laws affecting poor people are upheld, while also addressing the systemic barriers to justice faced by Mainers with low incomes. To achieve our mission, we provide free civil legal assistance in cases where it can make a difference in one's ability to meet one's basic human needs, or in enforcing one's basic human rights. *Want to learn more, please visit www.ptla.org*
