

# Maine LAWYERS REVIEW

## Dear Reader:

For nearly thirty years, the Maine Lawyers Review has been a trusted resource to Maine's legal community. Our twice-monthly issues provide insightful summaries and analysis of current decisions from courts across Maine, along with expert columns, the latest in legal news and announcements, and employment advertising dedicated exclusively to the legal field.

We've now added a digital subscription option in addition to our traditional print newspaper, allowing for delivery of the MLR's indispensable acumen directly to your inbox, whether you're in the office or working from home. We invite you to subscribe via the form below, and look forward to hearing from you.
